

Compact, colourful
and made for your city garden.

MICCOLO URBAN WALL GREENHOUSE

The Miccolo wall greenhouse by ACD® is designed to fit snugly against a wall or fence. Its compact size makes it perfect for terraces, city gardens or balconies where every square metre matters.

MICCOLO M03 • 1,85 M²

W 0,82 m x L 2,24 m x H 2,19 m
1 door + 1 roof vent

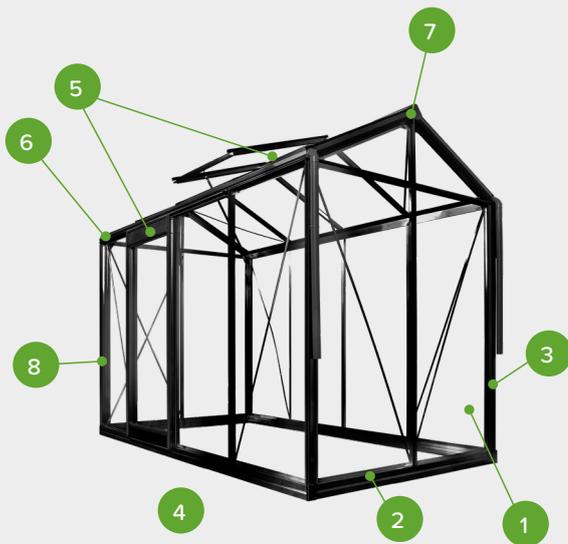

MICCOLO M04 • 2,46 M²

W 0,82 m x L 2,98 m x H 2,19 m
1 door + 1 roof vent

Despite its modest dimensions, it's surprisingly spacious and functional. With its sleek design, it fits seamlessly into the ACD® Urban range – smart, stylish and tailored for modern city living.

Innovative, strong & built to last

1. 4 mm clear toughened safety glass (since 2024)
2. Unique self-supporting double-chamber foundation
3. Tube- and box-profile glazing bars
4. Stainless steel bolts and nuts
5. Wide sliding door and large roof vent
6. Large external gutter and wide condensation gutter
7. Enclosed tubular ridge beam
8. Waterproof and windproof rubber seals

PICCOLO URBAN GREENHOUSE

The Piccolo greenhouse is a fully functional greenhouse in a compact size. Freestanding and sturdy, it's ideal for anyone with limited space who still wants to enjoy homegrown produce.

PICCOLO P03 • 3,56 M²

W 1,59 m x L 2,24 m x H 2,21 m
1 door + 1 roof vent

PICCOLO P04 • 4,74 M²

W 1,59 m x L 2,98 m x H 2,21 m
1 door + 1 roof vent

PICCOLO P05 • 5,90 M²

W 1,59 m x L 3,71 m x H 2,21 m
1 door + 1 roof vent

Thanks to its fresh design and practical layout, it fits effortlessly into small urban gardens or terraces. Pure ACD® Urban: compact, clever, and made to make the most of your space.
